

**GESTALT THERAPY**  
BRISBANE

## **Gestalt Therapy - 2018 Training**

**Information Evening Wednesday 28 February 6.30pm**

**Find out about Gestalt Therapy Brisbane's 8 month  
Introductory Program in Gestalt Therapy - course starts 4 May, 2018**

Gestalt Therapy Brisbane's training is person centred and practice oriented. It embraces a practice of developing mindfulness, drawing on a relational perspective to understand the human condition, development and change. It is informed by contemporary theory and the teaching methodology offers a balance of experiential, theoretical and skills-based learning.

Gestalt Therapy seeks to heighten awareness of our ways of being in the world. The Gestalt Therapist engages with the relational world of clients to foster client's capacity for growth and choice and, ultimately, to increasing their capacity for rich and meaningful living.

Come and find out about a  
dynamic way of learning.

Join a community of  
energetic and real people.

Gestalt Therapy Brisbane courses are accredited through TEQSA: the Tertiary Education Quality and Standards Agency. Successful students will be awarded a Graduate Certificate in Gestalt Therapy. The Introductory Program can lead into a Master of Gestalt Therapy program. Our programs are also accredited by professional association PACFA and by GANZ.
