barbarago@bigpond.com **Barb Gonda** (*Bardon, other Brisbane and Ipswich locations negotiable*) **Ph:** 0417002071

I have worked for many years as a student of life in a process of understanding myself and the world around me. I am a registered counselling psychologist with 2 Masters level qualifications in counselling and Gestalt therapy as well as other post graduate qualifications. I value being authentic, aware and down to earth and hope that this in turn contributes to the connection and trust to underlie my work and contribute to bringing to light that which is real and true and meaningful to each individual. I have a strong artistic side with a professional distant background in nursing and the military. While a generalist therapist, I specialize in trauma, depression and grief and loss. I am available to discuss aspects about sessions and answer any questions prior to starting our work together.

cea.clancy@bigpond.com **Cathy Clancy** (*Highgate Hill*) **Ph:** 0409637833

I am committed and continue to journey in Personal development and Supervision.

deborahfay16@hotmail.com **Deborah Bullen** (*Sunnybank Hills*) **Ph:** 0431685999

I am a Gestalt therapist and through my 24years of experience in supporting people I have found that it is building a relationship based on mutual trust and safety that allows the holistic healing of mind, body and spirit to unfold - and this is the therapeutic space I create for our work together. I have particular interest in supporting adults who have suffered through addiction's presence in their childhood or current environment. I am flexible in my times, being available most days.

gailkenny@hotmail.com **Gail Kenny** (*Norman Park*) **Ph:** 3399 9970 or 0432 273 853

I offer respectful, dynamic therapy from my home office in Norman Park, Wednesday through to Saturday. I have been in private practice for 17 years. Prior to studying Gestalt Therapy, I was a volunteer counsellor at Lifeline and an Early Childhood Teacher. I have lived and worked in Papua New Guinea, Malaysia and New Zealand. I enjoy the Gestalt approach as it is so honouring of our innate wisdom and is inclusive of mind, body and soul processes.

linda@rainbowatma.com.au **Linda Conyard** (*Samford Village*)

Ph: 0402 811 742

Gestalt for me is more a way of being than a modality. I am in private practice and specialize in trauma recovery and holistic practice. I use other modalities like Family Constellations, Trauma Release Exercises, Ayurveda, Trauma informed Yoga, Pranic Healing, Aromatherapy. I also work with women in business, mentoring them and helping them see how what is unresolved in them shows up in their business. I have created programs and retreats alongside the traditional 1:1 sessions in my business. I love working with groups. I've volunteered in palliative care with Karuna Hospice since 2007 and my practice is based on Buddhist philosophy. www.rainbowatma.com.au
