

Gestalt Interest Group

Drawing on the wisdom & teachings of
John O. Stevens from his book
“Awareness- exploring, experimenting,
experiencing”

Join us for an evening of connection, creativity & fun as we explore freedom of expression through the vehicle & medium of art. Anyone with an interest in Gestalt is warmly welcome.

Guided by Suzanne Sommer & Trish Darke, you are invited into an exploration of aspects of the inner self, in a non-judgmental, fun, awareness raising exercise.

No artistic experience required.....
.....simply an openness to explore!
